

The testimony is designed to help us to become better acquainted with your salvation story. Please type at least one page (no more than 2 pages) about yourself, addressing each of the points listed below. Remember, the Admissions Committee will review your essay and your ability to express yourself in writing. Please email, fax, or mail your completed testimony.

Please address the following issues:

- **Your salvation experience:** What was your life like before you trusted Christ? What is your understanding of salvation and when were you saved? How has your life been different since you trusted Christ?
- **Your ministry involvement:** How do you believe Christ has gifted you, how have you used those gifts for His work in the past, and how do you feel He will use them for His work in the future?
- **How you heard about SEBC:** Why you think the College is a good fit for you and what you hope to accomplish as a student here.
